We have dedicated vast areas for living space to allow our residents enjoy their home. We also provide rooms for families to visit and spend time with their loved ones in comfort and privacy.

#### Bedrooms

All bedrooms have different views of the grounds - whether it be the north-east wing overlooking the front lawn area and woodlands, or the south-east wing overlooking our walled orchard of approximately 4 acres.

#### Bedrooms have:

- Ensuite Facilities
- Wheelchair Access
- Emergency Nurse Call
- Internet Access

#### Our Large Grounds

Our grounds span over 17 acres, providing ample room to stretch your legs. Residents can take in the abundance of wildlife, horses and beautiful scenery.

#### Church / Grotto

Daily mass is celebrated by our resident Priest in our spacious chapel. We have a beautiful grotto on the grounds of the estate, which residents can visit as they wish.
